IN A NUTSHELL

Since I was a child I've been building applications. I'm a perfectionist, who likes both the front and back end of applications.

I am an active Pluralsight subscriber and read a lot of books to keep up to date.

SUMMARY OF QUALIFICATIONS

- Entrepreneur since 2001. Owned a design studio and a social networking site.
- In-depth knowledge of a broad range of languages and frameworks.
- MCSD certified.

PROFESSIONAL EXPERIENCE

CoolBytes.io

Den Hoorn, owner 2017 - present

CoolBytes.io is a blog about new technologies, patterns and best practices. Video tutorials will be added in the near future. The complete website is open source and developed with the brand new ASP.NET Core 2 and Angular 4.

Cerco BV

Delft, owner 2006 to 2015

Cerco BV was owner of a popular social networking site DG2. When we started, the site grew from 1 to 100.000 members in less than a month.

In 2009 we acquired our biggest competitor Xseno. Together the sites had more than 600.000 members. Large parts of the company were sold to investors in 2007 en 2009.

SILVER productions

Rijswijk, owner 2001 to 2005

SILVER productions was my company specialized in (web)design and digital printing for the leisure industry. I did work for television, radio and clubs. We won a TMF (dutch television) award for best website in 2001.

Xpect Events

Rijswijk, owner 1999 to 2001

Organized school parties in clubs for the youth. Developed a small website and online community with party pictures and a mailing list.

EDUCATION/CERTIFICATIONS

- MCSD App Builder (2017)
- MCSA Web applications (2017)
- HAVO, Stanislas College, Delft (1998-2003)
